

KHEYARRABERRIBEYV

Muscateal) is the dam of 2015 U.S. Top Ten Half-Arabian Reining JOTR 14-18 Lil Miss Sweet Spot.

“I am fortunate to also own KheyarraberribeyV’s daughter Psyductress VF, who was a blast to show. My niece Kaleigh Irish now owns KheyarraberribeyV’s daughter A Presentation, her final foal, who has been a multiple Regional champion.

“Kheyra continues to live and thrive at my home in Pendleton, New York. At age twenty-nine she still has attitude and spirit. She has the most human expressions of any horse I’ve ever owned. It has been a true love affair between owner and horse!”

“Petrovkka, the first filly I ever bred, turned 30 on April 24, 2015,” says Suzann Vince. “Her show career was primarily handled by Rick Moser. She

PETROVKKA

won several junior championships and at age seven, she was shown at the 1992 Buckeye Show, where she won her class. At the 1992 Region 9 Show she was Reserve Champion Mare and at the 1992 U.S. Nationals she went Top Ten out of 30 mares. In 2002 Kim Morgan visited our farm, Twin Creek Arabians, when Petrovkka was 17. Kim convinced me that we should take her back in the showing one last time. She had not been shown for ten years and she had produced three foals during that time. She competed in the mares eight and over class and all of the other mares were eight to ten years younger than she was. Howard Kale Sr., Howie Kale Jr., and his daughter Jennie all came to see Petrovkka do what no other mare has ever done, which was to go top four at the 2003 Scottsdale Show in a very competitive class of mares when she was 18!

“I purchased her dam *Pavlinka (Numizmat x *Rifisa) on a trip in June 1980 to The Kossack Stud at only seven weeks of age and she became our foundation mare. She was bred three times to the magnificent *Muscat and Petrovkka is the first result of that cross. The Kales’ support throughout her show career, but especially at that show, was an honor, because I consider the Kale family to be one of the Arabian breed’s dynasty families.”
